It is your responsibility to read and understand the Conditions of Sale printed on the consignment contract and in the sale catalog.

2) CATALOG ACCURACY

You must review the sale catalog and promptly notify us of any errors, inaccuracies or other inconsistencies in the disclosures on the catalog page.

3) WARRANTIES

Each Owner hereby expressly represents and warrants to Auctioneer for each horse consigned, unless stated otherwise in the sale catalog and/or unless otherwise announced at time of sale, that such horse(s) is/are free from disease and, as to horses offered for breeding, are suitable for breeding or, as to horses offered as yearlings, two-year-olds or trained horses, are suitable for training and showing or, as to other categories of horses, each such horse is suitable for the purpose for which it has been cataloged for sale by Owner.

Further, in the event a horse possesses any faults, defects or conditions, Owner shall have the responsibility to inform Auctioneer of such immediately, but not later than thirty minutes prior to the time the horse is led into the ring for sale, so that proper announcements can be made in the sale catalog and/or from the auction block while the horse is in the auction arena. Owner is solely responsible for having such announcements made and for their accuracy. Owner hereby releases, INDEMNIFIES and holds Auctioneer harmless from any errors and omissions of Auctioneer in connection with making or failing to make any such announcement. We will, in turn, do our best to achieve a completed sale.

If you do elect to repurchase your horse you must do so by: 1) being the highest bidder and signing the Buyer's Acknowledgement of Purchase or 2) submitting a completed written reserve bid form to the Auctioneer at least 30 minutes prior to the horse being led into the ring for sale.

You have contracted and agreed that Western Bloodstock is entitled to all applicable sale fees, including commission, if horse sells as a result of this sale.
