

GENETIC DISEASE PANEL

The American Quarter Horse Association accepts Genetic Disease Panel test results from the Veterinary Genetics Laboratory at the University of California-Davis. Once the testing of a horse is complete, AQHA records the results on the original certificate of registration for a horse.

BEGINNING IN 2024...

Western Bloodstock LTD. WILL print Genetic Disease Panel test results on the catalog page of the individual horse. Genetic Disease Panel test results, if received after catalog is printed, will be announced from the auction block and ARE AVAILABLE for viewing in the Repository.

NOTICE TO ALL POTENTIAL BUYERS

Western Bloodstock LTD. does not interpret or endorse any test result, and make no covenant or warranty as to the accuracy thereof.

Genetic Disease Panel testing & identification are not to be considered limited warranties of sale. Therefore, all potential buyers are cautioned by Western Bloodstock LTD. that all horses consigned to the sale are offered in accordance with the applicable laws of the State of Texas, including but not limited to the Texas Business and Commerce Code and Section 2.316 (f) thereof providing that **THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS DO NOT APPLY TO THE SALE OR BARTER OF LIVESTOCK AND ITS UNBORN YOUNG.** All transactions between owner, auctioneer and buyer, and any other matter involving this sale in any way, shall be governed by the laws of the state of Texas without reference to choice of law rules, as more fully stated in the Conditions of Sale printed in this catalog.
